- 1-Pocket Folder

Notes:

It is a good idea to make sure your child has shoes for Physical Education class. They will need a backpack and also they need headphones for computer class. I allow them to have a reusable water bottle throughout the day. I recommend having the supplies labeled with your child's name. Besides the backpack and water bottle, please bring in the items to our Open House on the evening of August 30th from 5:30-7:30! Here are a few ideas to work on with your child so they feel successful when starting kindergarten: writing their name, cutting with scissors, recognizing letters of the alphabet, recognizing numbers 1-10, independently dressing themselves, opening their own snack packaging and tying their shoes. I hope to see you all at the Open House! ☺

Mrs. Streich's 1st Grade Supply List

Welcome to Mrs. Streich's Class! I'm looking forward to a great year! Below you will find a list of supplies that your child will need for their 1st grade year. It is a good idea to put your child's name on everything with a permanent marker to avoid confusion.

- **ONE** folder to keep in their desk (I will supply them with a Friday Folder)
- washable markers (Crayola 8 count is preferred)
- 3 boxes of 24-pack Crayola crayons (or less)...I will save some for midyear (Please do not buy Rose Art crayons...they don't color well.)
- 1 package of pencil top erasers
- scissors (fiskars is recommended and cuts the best)
- 1 plastic pencil box for storing supplies
- 2 packages of pencils
- 1 package of **BLACK** dry erase markers (the colored ones stain and are too difficult to erase)
- A large package of Elmer's glue sticks (**please AVOID Rose Art...the glue does not stick**)
- headphones for the computer lab (needed ASAP....please AVOID earbuds)
- 1 tablet of drawing paper for their own use during free time
- watercolor paint set (Prang or Crayola is recommended and work the best)
- Lunch box (if your child will be bringing lunches from home)
- Backpack (large enough to fit a folder inside)
- Daily morning snack
- **PLASTIC** Water bottle to keep at their desk...I would prefer **PLASTIC** because metal ones are just too loud). To minimize germ sharing in this age of Covid, we do **NOT** have a drinking fountain in the room. We have bottle filling stations throughout the building.

I'm requesting that you do **NOT** send in liquid glue, rulers, highlighters or little pencil sharpeners, as these items turn into distractions (I have a pencil sharpening system, so we only use the electric ones in the room)...thank you in advance.

Thank you for helping to make your child's school year a success by supplying them with the necessary materials for learning! Feel free to bring these items to Open House!

See you soon!
