Rogers City Elementary School

532 West Erie Avenue Rogers City, MI 49779

Ms. Tammy Kuntz, Principal

Telephone (989) 734-9150

February 28, 2017

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-16 educational progress for the Rogers City Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Tammy Budnick for assistance.

The AER is available for you to review electronically by visiting the following web site http://www.rcashurons.org/pages/uploaded_files/ElemAnnualEdReport.pdf or you may review a copy in the main office at your child's school.

For the 2016-17 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information. A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom School Rankings, top 5% of schools making the greatest gains in achievement (improvement metric), or "Beating the Odds" by outperforming the school's predicted ranking and/or similar schools. Some schools are not identified with any of these labels. In these cases no label is given. Our school was not identified with any of the labels given to schools.

While looking at the data for Rogers City Elementary School I have found that while our students continue to grow and improve their knowledge in all areas our science and social studies data remains below average. To aid in improving student test scores we have incorporated Reading Mastery as our core curriculum for ELA and are researching new math curriculum for next year. We are working with our ISD and MTSS (Multi-Tiered System of Supports) to provide teachers with additional professional development. We are working to include tier II and tier III supports for our students who need additional interventions.

State law requires that we also report additional information.

1. All students who reside in the Rogers City Area Schools district are enrolled at Rogers City Elementary School for grades K-5. Students who live outside of the

district are welcomed to enroll during open enrollment, and will be offered positions, as they are available.

- 2. Rogers City Elementary school is in year two of their 3-5 year plan cycle. Goals have been written and state targets were incorporated into the School Improvement Goals
- 3. Rogers City does not have a specialized school.
- 4. Core Curriculum documents are available by department through the principal's office. Rogers City Elementary School has implemented the State's Grade Level Content Expectations and the Common Core Standards.
- 5. Data from Achievement tests is attached.
- 6. At the fall parent Teacher Conferences we had 98% of Parents and at the Spring Parent Teacher Conferences we had 97% parents attend.

Rogers City Elementary schools continues to be a place of learning and enrichment. The wonderful support staff, hard-working teachers and a great group of volunteers ensure this. We will continue to work on the curriculum and in raising the expectations until our goals have been met.

Sincerely,

Tammy Kuntz
