

Rogers City Area Schools COVID-19 Dashboard

To protect the health of our School Community and per the Emergency Order issued by the Michigan Department of Health and Human Services Reporting of Confirmed and Probable Cases of COVID-19 at Schools on October 6, 2020, Rogers City Area Schools will use this webpage to provide Public Notice to our School Community regarding School Associated Cases of COVID-19. Within 24 hours of being notified of a School Associated Case by the Department of Health District No. 4 this dashboard will be updated to include new and cumulative COVID-19 case counts. Individuals identified as Close Contacts of School Associated Cases will be notified separately and directly by District Health Department No. 4.

NOTE: Students and staff members that have been identified as close contacts of any school associated cases will be notified individually and directly by Rogers City School officials, or the District

Health Department #4.

We recommend taking action to limit the spread of COVID-19 in our community. This includes:

- Stay home if you are sick.
- Wear a facial covering to protect others.
- Observe general social distancing guidelines (maintaining a distance of 6 feet apart).
- Wash your hands often with soap and water for at least 20 seconds or using a hand sanitizer that contains at least 60% alcohol if soap and water are not readily available.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Cover coughs and sneezes using the inside of your elbow.
- Clean and disinfect frequently touched surfaces daily.

If it is necessary to close the school or change the method of instruction, it will be communicated through the Alert System.

If you have any questions, contact District Health Department No. 4 at 989-356-4507. For answers to your COVID-19 Questions, Please call the Michigan Department of Health and Human Services COVID-19 Hotline at 888-535-6136 or visit [Michigan.gov/Coronavirus](https://www.michigan.gov/Coronavirus).
